

Como Arch LED Mirror AMA3

- **Features:** Built in demister with touch sensor for lighting control
- **Glass Thickness:** Premium-quality 5 mm glass
- **Corrosion-Resistant:** Copper-free backing to prevent corrosion and enhance longevity
- **Mounting System:** Includes pre-attached, non-removable brackets for secure and effortless installation

Cleaning & Care:

For best results, clean gently using a 1:3 methylated spirits/water mix or a standard glass cleaner applied to a soft, lint-free cloth. Warm water may also be used. Avoid harsh chemicals, abrasive cleaners, or rough materials that could scratch or damage the mirror's surface.

Warranty: 5 year replacement product, 1 year labour
