

Roma Frameless Oval Mirror

AMP2

Available in 2 Colours

Edge Finish: Polished pencil edge for a sleek, modern appearance

Glass Thickness: Premium-quality 5 mm glass

Corrosion-Resistant: Copper-free backing to prevent corrosion and enhance longevity

Mounting System: Includes pre-attached, non-removable brackets for secure and effortless installation

Cleaning & Care:

For best results, clean gently using a 1:3 methylated spirits/water mix or a standard glass cleaner applied to a soft, lint-free cloth. Warm water may also be used. Avoid harsh chemicals, abrasive cleaners, or rough materials that could scratch or damage the mirror's surface.

Warranty: 2 year replacement product or parts
