

Siena Multifunction Combo Shower

304 Stainless Steel

Available in 5 Colours

- **304 Stainless Steel Rail:** Strong, rust-resistant rail built for durability and a modern look.
- **ABS Shower Heads:** Lightweight, impact-resistant heads for consistent water flow and easy maintenance.
- **Top Water Inlet:** Designed for a neat, streamlined installation directly from above.
- **1.5m PVC Hose:** Flexible and durable hose for easy movement and reach.
- **3-Function Hand Shower:** Offers multiple spray settings to suit your mood and needs.
- **250mm Overhead Shower:** Wide coverage for a full, luxurious shower experience.
- **Easy to Clean:** Wipe with a soft cloth and mild soap to maintain the finish — avoid abrasive cleaners
